**Rose Dowds** is retiring after more than 26 years beautifully decorating our Church with flowers. All though the year but particularly at the major feasts she has quietly got on with the task with incredible results. Every parishioner owes her a debt of gratitude and I too wish to convey my thanks publicly to her. If you get the chance, then please remember to thank her yourselves.

However, nothing stands still and so we will need new people to pick up from where Rose leaves off. If this is your forte, then please speak to me. I would like to put together a creative team to work together to help decorate our Church clearly starting this Easter. Rose will be available for advice and more than happy to help a new group settle into the role.

#### **Lenten Almsgiving-**

You will find a box in the porch for any food you are able to donate to the East Lothian Foodbank. Why not make it part of your journey through Lent to simply put one or two items in each week from any money you save through not smoking, drinking or eating sweets.

**Please note.** Last Sunday several parishioner's cars were given parking tickets as they were parked on the double yellow lines outside of the Church. While this is the first time that this has ever happened can I remind you that it could happen again. The parking spaces are **not** on church land and the double yellow lines were put there many years ago at Canon McMullan's request to ensue parking space for funerals, weddings etc. Consequently, to park there is against the law and you do so at your own risk.

The Family of **Cathie Glen** wish to thank everyone involved in Cathie's Requiem Mass, especially Father Andrew for the beautiful service. Thanks also to those who attended the Mass, for messages of condolence, Mass cards and sympathy cards received. The family are very grateful.
