**Creation Time**

**September 1<sup>st</sup> – October 4<sup>th</sup>**

Pope Francis has established 1 September as the World Day of Prayer for the Care of Creation, encouraging the Catholic community around the world to pray for our common home.

**More Building Work!**

As the bushes have been cut back it has come to my attention that the perimeter wall is in need of repair, that the gas meter shed is collapsing and a small sink hole has appeared in the tar between the hall and the church. All will need to be repaired urgently as they form a health and safety risk. We now need to get the internal cracks fixed – sometime between the last wedding of the season and Christmas. It never ends. My thanks to those who support the building fund.
